DISRUPTION-READY TECHNOLOGY

Your work is always evolving, so you need technology that's always a step ahead.

COMPACT WITHOUT COMPROMISE

Make the most out of every square foot of your office space with the small footprint of the B625. Outrageously capable, this workhorse takes up less space but gets just as much work done. It's perfectly sized for scaled-back office spaces and hybrid work environments, where space is precious and there's no room for distractions.

MOBILE AND CLOUD READY

Get up to speed in no time with a tablet-like touch screen that balances simplicity and time-saving efficiency. The familiar interface user interface (UI) guides you through tasks, reducing extra steps. Having the ability to personalize the UI provides the freedom to work the way you want, allowing you to breeze through tasks.

Mobility features, such as AirPrint, Mopria, and optional Wi-Fi Direct, make it possible to print out of printing directly from your favorite mobile devices. With the VersaLink B625, more capabilities means added convenience, all from a more simple experience.

Leading edge DocuShare® (**xerox.com/DocuShare**), XMPie® (**xerox.com/XMPie**), Xerox® Workplace Solutions (**xerox.com/WorkplaceSolutions**), **Xerox WorkFlow Central Platform**

Workflows allow you to seamlessly capture, route, and store information without pausing a beat, reducing errors and saving time.

DISRUPTION-READY TECHNOLOGY

Your work is always evolving, so you need technology that's always a step ahead.

The Xerox® ConnectKey® Technology enabled VersaLink multifunction printer delivers everything you need to keep your office running smoothly. Productivity-focused features help your team get more done in less time. Powerful security features protect your business, your data, your devices and your reputation. Now you can tackle whatever work throws at you. Stay ready with the Xerox App Gallery, an ever-growing portfolio of cloud-hosted apps and digital services that work hard to simplify your work. You can also create your own apps with Xerox® Personalized Application Builder.

CAUTIOUS BY DESIGN PRODUCTIVITY

With access to the optional Xerox® Workflow Central Platform, cloud-based solutions that automate document workflows allow you to work out of converting physical and digital files with ease. Learn more from the Xerox® Workplace Solutions, the Xerox® Workplace Cloud, and Xerox® Workplace Suite Cloud. Simplify the user interface, even complicated workflows can be made easy. For example, scan a document, summarize a lengthy report, translate it and share with your team in just a few quick steps.

SMARTER, MORE SOPHISTICATED SECURITY

The Security Dashboard simplifies printer security management on the VersaLink B625. A comprehensive suite of proactive security features stops security threats where they start, preventing malicious attacks, proliferation of malware, unauthorized access or changes and breaches that lead to downtime.

To simplify security event reporting and management, the VersaLink B625 can integrate with Security Information and Event Management (SIEM) Tools.

SUSTAINABLE THROUGH AND THROUGH

Made up of more than 25% post-consumer recycled plastic, the VersaLink B625 is designed to be environmentally responsible. These devices meet the strictest, globally recognized standards for product environmental performance, including EPEAT, Blue Angel and ENERGY STAR®. The Xerox® Green World Alliance® program simplifies collection, reuse and recycling of spent toner cartridges. This program is central to our commitment to waste-free products.*

XEROX CONNECTKEY TECHNOLOGY

With Xerox ConnectKey Technology, you can bridge the divide between the physical and digital worlds to build a high performing work environment, so you can get more done, in less time. Learn more at **ConnectKey.com**.
