

Xerox® VersaLink® B415 Multifunction

Accounting Options – Network Accounting (Allows central server to manage all accounting)

Administrative Protocols	Black/white and color printing with up to 1200 x 600 dpi. Adobe PDF, AutoCAD, and PostScript®. DNS, SMB, SMTP, POP3, WSD, LDAP, and other protocols for integration with existing IT infrastructure. Secure printing with authentication and encryption. Secure copy, print, scan, and server fax. Secure faxing with authentication and encryption. Secure copy, print, scan, and server fax. Secure scanning with authentication and encryption. Secure copy, print, scan, and server fax. Secure server faxing with authentication and encryption. Secure copy, print, scan, and server fax.																																																																																																																																																																									
Installation Considerations	Simple installation with a single cable connection. No need for complex network configurations. Compatible with a wide range of operating systems and hardware configurations. Easy integration with existing IT infrastructure.																																																																																																																																																																									
What's In The Box	Printer, power cord, and user manual. Quick start guide and software installation CD. Optional accessories: paper, toner, and maintenance kit.																																																																																																																																																																									
Xerox® Supplies and Accessories	Compatible with a wide range of Xerox® supplies and accessories. High capacity toner cartridges for long print runs. Optional accessories: paper, toner, and maintenance kit.	<table border="1"> <thead> <tr> <th></th><th>North America and Europe*</th><th>All other regions</th></tr> </thead> <tbody> <tr>
