IMAGE QUALITY THAT'S A CUT ABOVE		
Color	Color is what turns basic, everyday prints into brilliant communications. High-resolution output of 1200 x 1200 dpi enhances your documents with sharp text and high-quality image quality.	

[1] Speed is measured using A4 paper in landscape orientation. Actual speeds may vary depending on system configuration, application, driver, and document complexity. [2] Duty cycle is defined as maximum number of monthly impressions. [4] Requires 500-GB Hard Disk.

Xerox® VersaLink® C625 Color Multifunction Printer and Xerox® VersaLink® C620 Color Printer — Specifications

Is personalization, future readiness and productivity too much to ask for? Smart enough to fit your workflow? Meet your needs with the Xerox® VersaLink® C625 and Xerox® VersaLink® C620 Color Printers. Supporting a wide range of paper types, sizes and weights, these smart Workplace Assistants™ can help you streamline your workflow while delivering flawless print-centric needs, especially for tasks that require large amounts of color. Plus, the C625 offers multifunction agility with an optional fax kit, while the C620 delivers flawlessly for print-centric needs. Assistants that exceed demand and expectation.

Meet your needs with smart Workplace Assistants™ that exceed demand and expectation.
