COMPACT WITHOUT COMPROMISE

Make the most of every square foot in your office space with the small footprint of the B625. Outrageously capable, this workhorse takes up less space but gets just as much work done. It's perfectly sized for scaled-back office spaces and hybrid workforce environments, where space is premium and there's no room for distractions.

The Xerox® ConnectKey® Technology-enabled VersaLink B625 puts the everyday tools you need at your fingertips. Customize the touchscreen to suit your preferences, create shortcuts for frequent jobs and hide features you don't use. Now you can tackle whatever work throws at you. Stay ready with the Xerox App Gallery, an ever-growing portfolio of cloud-based apps and digital workflow solutions that help you work smarter, not harder. Or, personalized Application Builder lets you create your own apps to fit your specific needs through the Xerox® Workflow Central Platform, a cloud-based solution that helps you automate, digitize and share information without missing a beat, reducing errors and saving time.
