COMPACT WITHOUT COMPROMISE

Make the most out of every square foot of your office space with the small-footprint B620. Outrageously capable, it takes up less space, but gets just as much done.

Xerox delivers specifically suited to back office spaces and hybrid work environments where space is a premium and there's hardly room for another device.

MOBILE AND CLOUD READY

Connect in a snap with a tablet-like touch screen that balances simplicity and time-saving efficiency. The intuitive user interface (UI) simplifies print interaction, making viewing device status and submitting or releasing print jobs quick and easy.

ENABLES MANAGED PRINT SERVICES

Mobility features, such as Apple® AirPrint, Mopria, and optional WiFi Direct® take the stress out of printing directly from your favorite mobile devices. And @PrintByXerox enables hassle-free printing from any email-connected tablet or phone.

GATEWAY TO NEW POSSIBILITIES

Tie into the cloud so you can print quickly and securely from anywhere.

SIMPLICITY THAT DRIVES PRODUCTIVITY

Advanced tools such as Xerox® Easy Assist, Xerox® Print Drivers and the Xerox® Print and Scan Experience provide enhanced productivity features that deliver easier ways to use and manage your printer.

Your work is always evolving, so you need technology that's always a step ahead. The Xerox® ConnectKey® Technology-enabled VersaLink adjusts quickly to the changing needs of your organization.

And with access to a portfolio of cloud-hosted apps via the Xerox App Gallery, you can effortlessly connect and run jobs from popular cloud workspaces directly from the B620 user interface.

SMARTER, MORE SOPHISTICATED SECURITY

The Security Dashboard simplifies printer security management on the VersaLink B620. A comprehensive range of proactive security features works behind the scenes, preventing malicious attacks, proliferation of malware, unauthorized access or changes and helps keep your printer safe. Threats are identified and addressed as they arise, so you can feel confident your information and documents are protected. The Security Dashboard monitor, detect and block threats in real-time. And automated security responses provide invaluable time-savings and peace of mind.

QUALITY THAT'S A CUT ABOVE

Delivering a high resolution output of 1200 x 1200 dpi with crisper and sharp lines to elevate your important documents.

SUSTAINABLE THROUGH AND THROUGH

Made up of more than 25% post-consumer recycled plastic, the VersaLink gives new meaning to being environmentally responsible. These devices meet the strictest globally recognized standards for product environmental performance, including EPEAT, Blue Angel and ENERGY STAR®. The Xerox® Green World Alliance® program simplifies collection, reuse and recycling of spent imaging supplies.[3]
